

[\\*Click HERE for IMPORTANT USAGE NOTES](#)

### Products Description

This Spare Tire Cover was printed on a heavy-weight Marine Vinyl that will last a long time. The side band is attached to the face with upholstered vinyl welting not a cheap plastic reproduction. The tire cover is held on by a strong shock cord sewn into the back edge. Available in black only.

[You may order a 22" to a 35" diameter cover. It will come to you as an exact fit cover.](#)

The item will be shipped 1 business days or less, after we receive your payment and Tire Size and payment.

[Pick out your size and put it in the drop down box above.](#)

[This information has been compiled from several public sources for this reason we shall not be held liable. When in doubt, you should always depend on a tape measure to verify your tire diameter accurately.](#)

\*USAGE NOTES: In the above Chart, there may be more than one tire size listed for your model and year vehicle, due to factory options. In such case, you will have to measure your tire diameter, or read the ID# from the sidewall.

On *Tires Marked as AT, LT or MUD TIRES*, this chart does not apply.

\*DISCLAIMER: This page is provided as a courtesy in helping you order the correct size tire cover from Custom Grafix. Use for any other purpose is not advised, and is strictly prohibited. Tires 1/4" over an inch-mark are rounded-up to the next full inch. Information has been compiled from various public sources. For this reason, Custom Grafix shall not be liable for accuracy or completeness. When in doubt, you should always depend on a *tape-measure* to verify your tire diameter accurately.
